## (8) Step 1 and Step 2 Rules

(a) During the different steps throughout, you must not exceed the maximum loss limit, which is calculated based on your initial account balance. At no point should your losses surpass the maximum loss threshold. The applicable maximum loss limits per account model are:

- 2-Step Challenge: 10%
- 1-Step Challenge: 6%
- 0-Step (Instant Challenge): 5%
- Climber Account: 6% to 20% (depending on plan selected)

(b) You must also adhere to the daily loss limit rule. This limit is based on the higher of your equity or balance at the start of each day (00:00 CEST/server time) and must not be exceeded within that day. The daily loss limits are:

- 2-Step Challenge: 5%

- 1-Step Challenge: 4%
- 0-Step (Instant Challenge): 3%
- Climber Account: 4% to 10%

(c) Profit targets must be met without violating any rules:

- 2-Step Challenge: 5–10% profit target
- 1-Step Challenge: 10% profit target
- Climber Account: 5% profit target
- 0-Step (Instant Challenge): No profit target; must trade with discipline

(d) Minimum Trading Days Requirement:

- 2-Step Challenge: 4 trading days
- 1-Step Challenge: 4 trading days
- Climber Account: 2 to 4 trading days
- 0-Step (Instant Challenge): 7 profitable trading days

*For the 0-Step (Instant Challenge), a profitable day is defined as achieving at least 0.25% profit on that day. The 30-day cycle begins on the date of the first trade and resets monthly. Failure to meet this results in account termination.*

(e) You are strictly prohibited from executing trades that violate the nature of real financial markets or abuse simulated account conditions. Violations of the rules listed in sections 8(a)–(d) will result in account failure without refund.

(f) Any breach of the rules during the Stages — including exceeding loss limits or engaging in prohibited activities — will result in immediate termination of your account and forfeiture of fees.

(g) Any attempts to exploit the simulated nature of the platform or reverse engineer trading systems will be considered a serious violation and treated as abuse of the platform.

## (9) Rules of Demo/Simulation Trading

### (a). News Trading and holding over the weekend
